Advanced Motor Solutions for Industry

Motor Solutions for **Automation**

Motor Solutions for **Manufacturing**

Motor Solutions for **Healthcare**

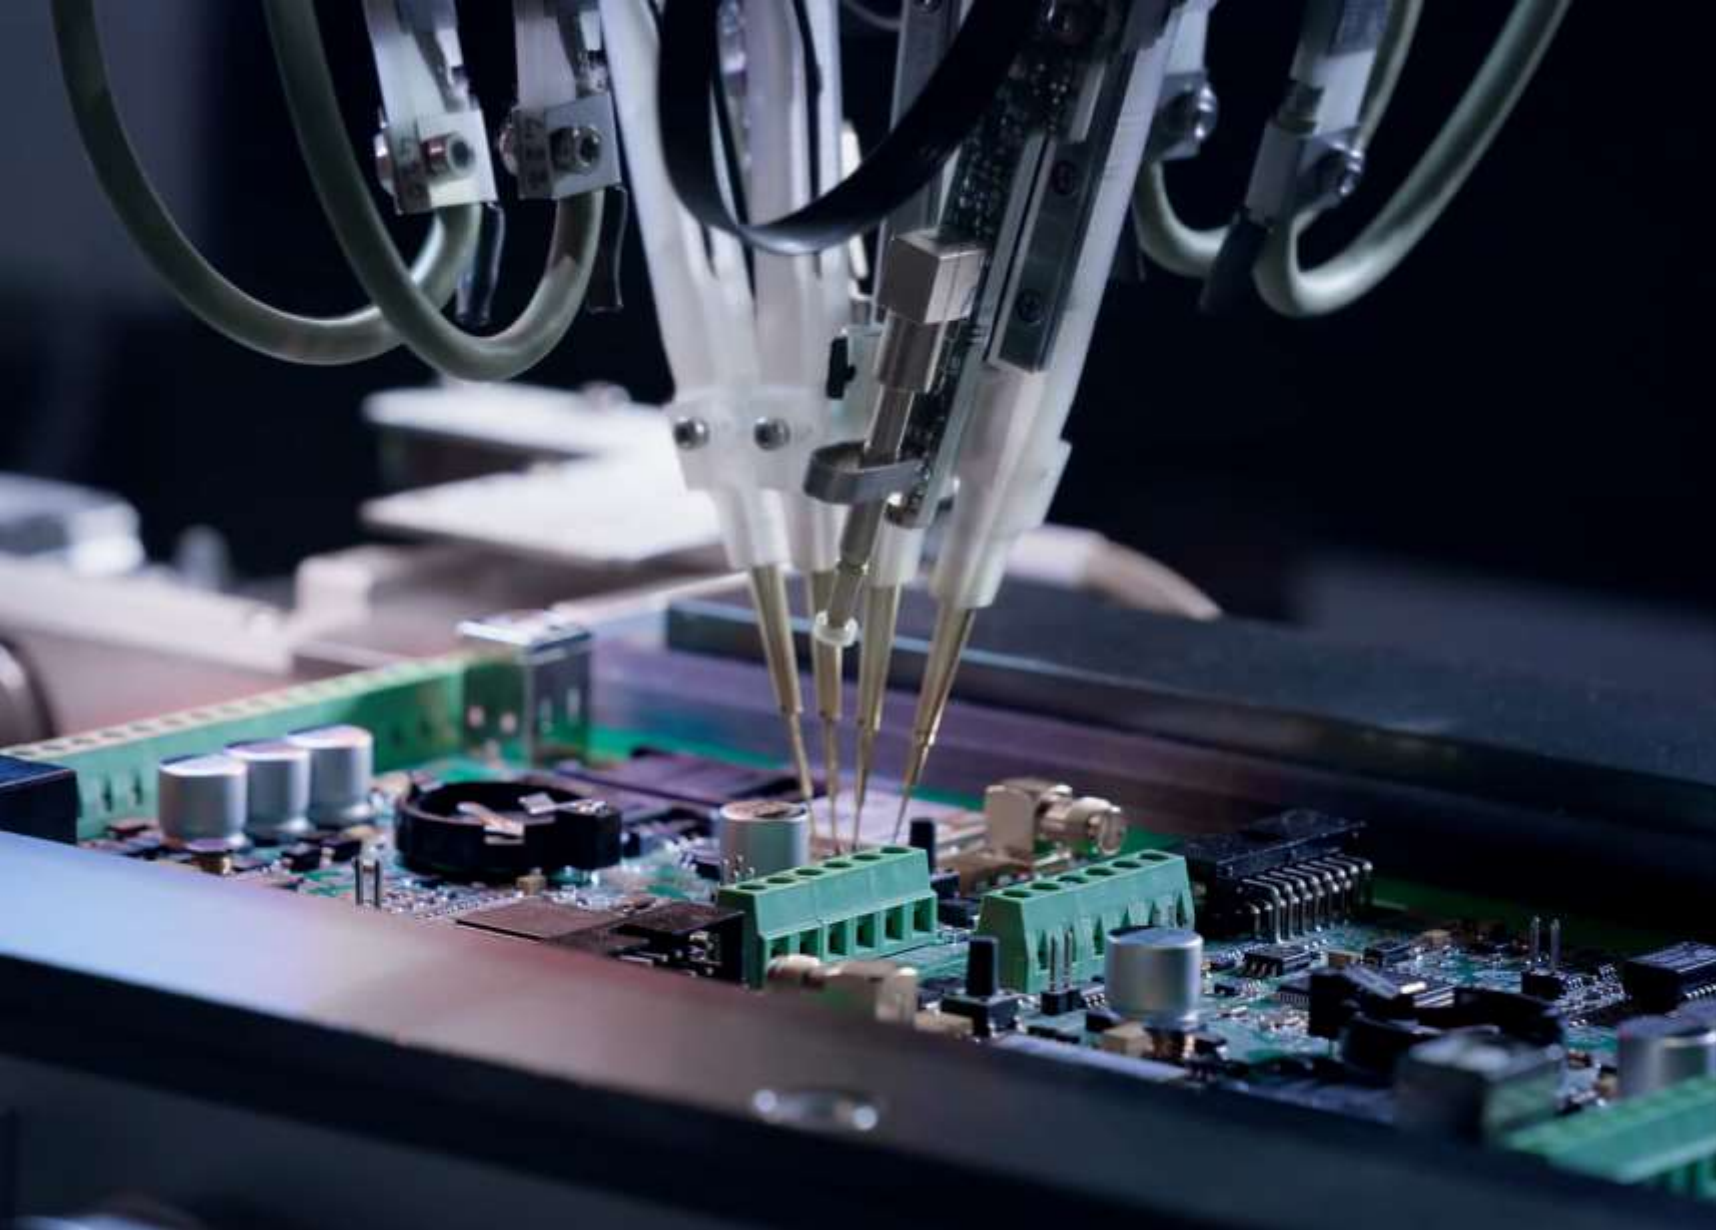

Motor Solutions for Intralogistics

Motor Solutions for **Agriculture**

Motor Solutions for **Agro-Tech**

Motor Solutions for **Test & Measurement**

Motor Solutions for **Defence**

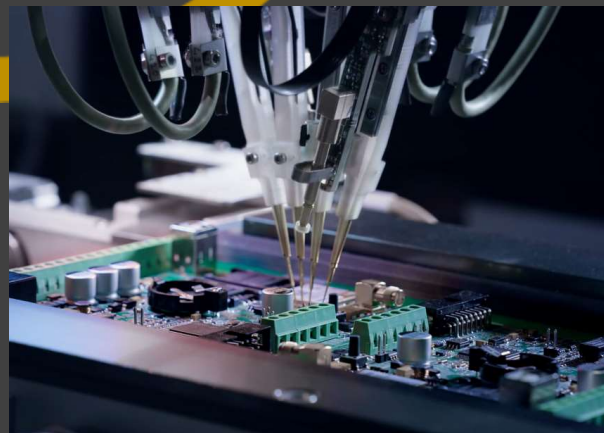

Motor Solutions for **Aerospace**

PMW Dynamics

Motor Solutions for **Every** Industry

PMW Dynamics

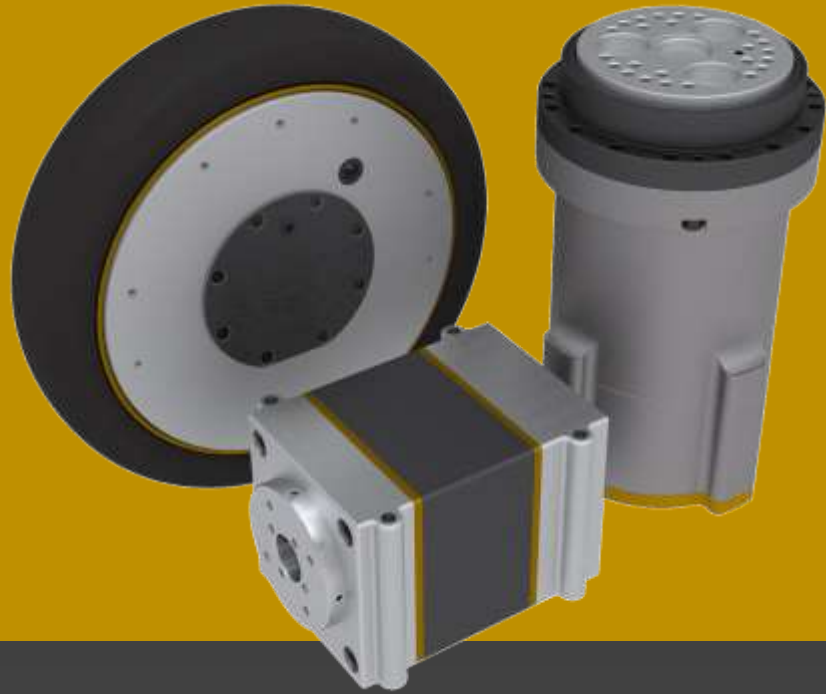

Motor Solutions for **YOU**

amics

Your Motor Development **Partner**

Advanced Servo Motors for Industry ...

Three Possibilities ...

- Comprehensive Motor Portfolio
- Customise Existing Design
- Full Bespoke Development

Aerospace

Agricultural

Automotive

Defence

Industrial

Marine

Medical

Oil & Gas

Robotics

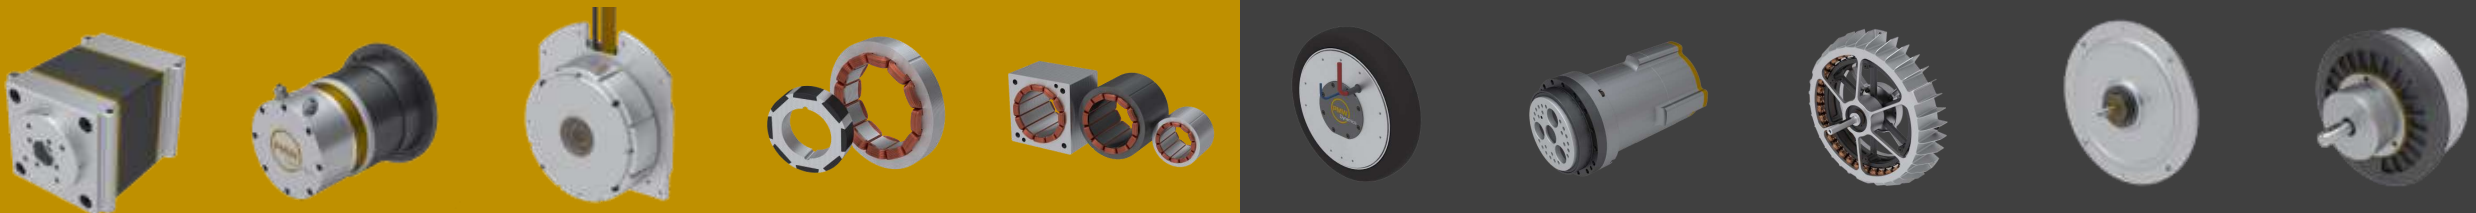

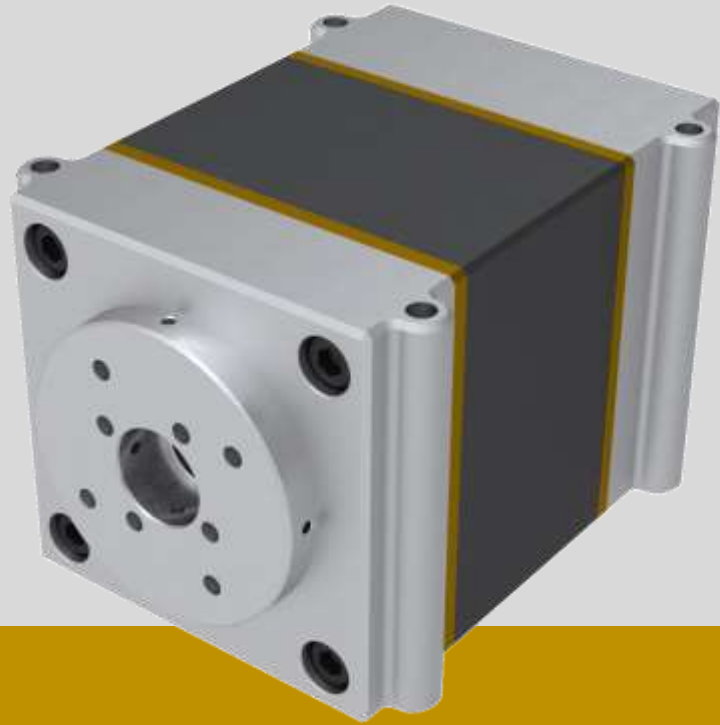

Test & Measurement

- Brushed | Brushless
- Axial | Radial Flux Designs
- Inner | Outer Rotor Configurations
- Pancake | Cylindrical Form Factor
- Housed | Frameless | Kit
- Geared | Direct Drive
- Sensorless | Halls | Encoder | Resolver Feedback

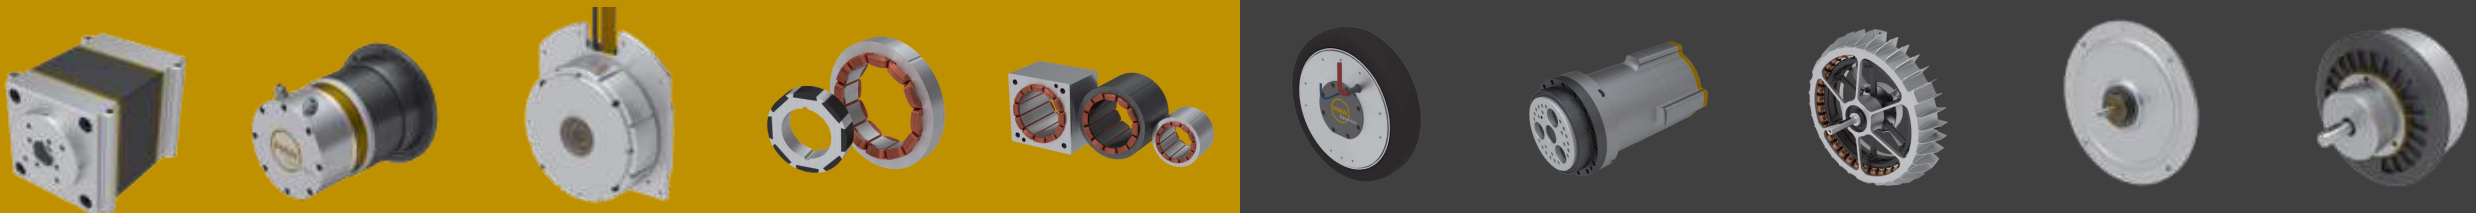

PMW Dynamics Portfolio

Brushed & Brushless Motor Designs

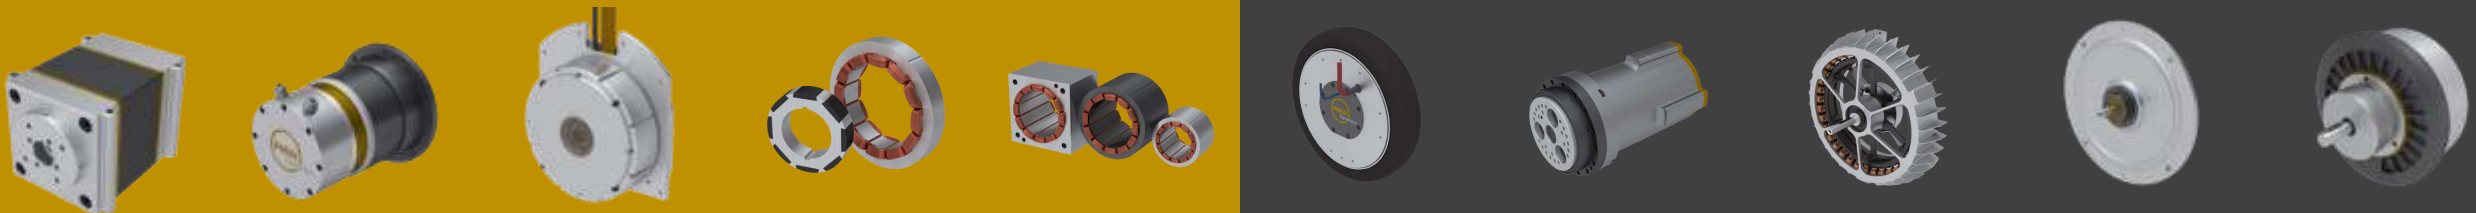

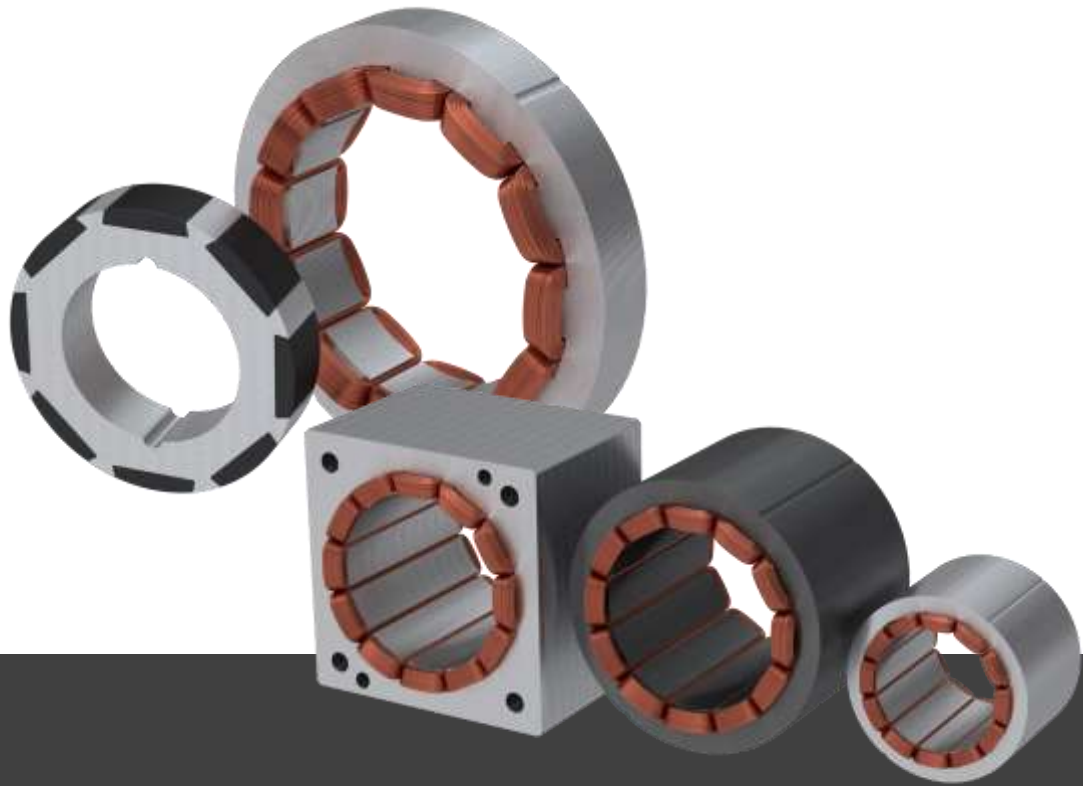

Geared Motor with Integrated Drive

Inner & Outer Rotor Motor Configurations

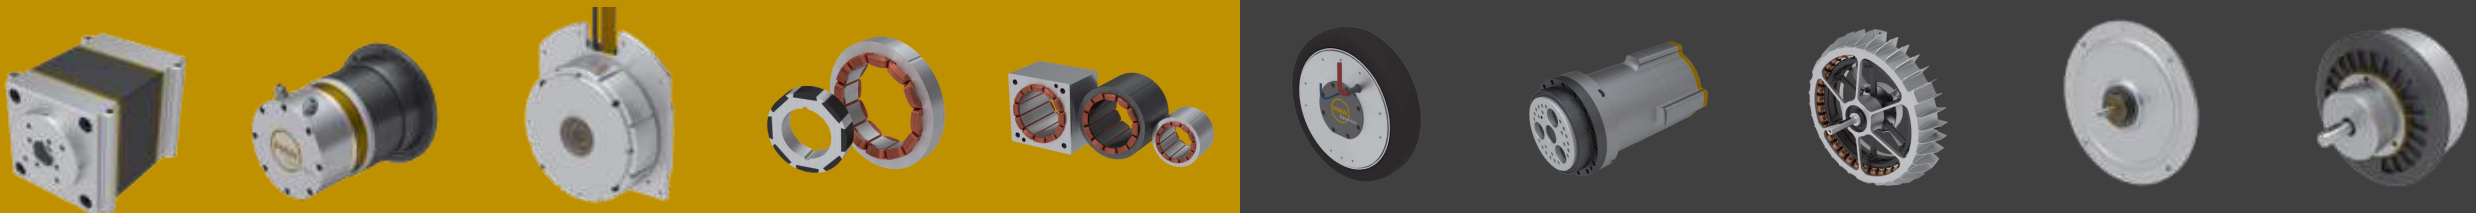

Pancake & Cylindrical Motor Form Factors

Housed, Frameless & Kit Motor Packages

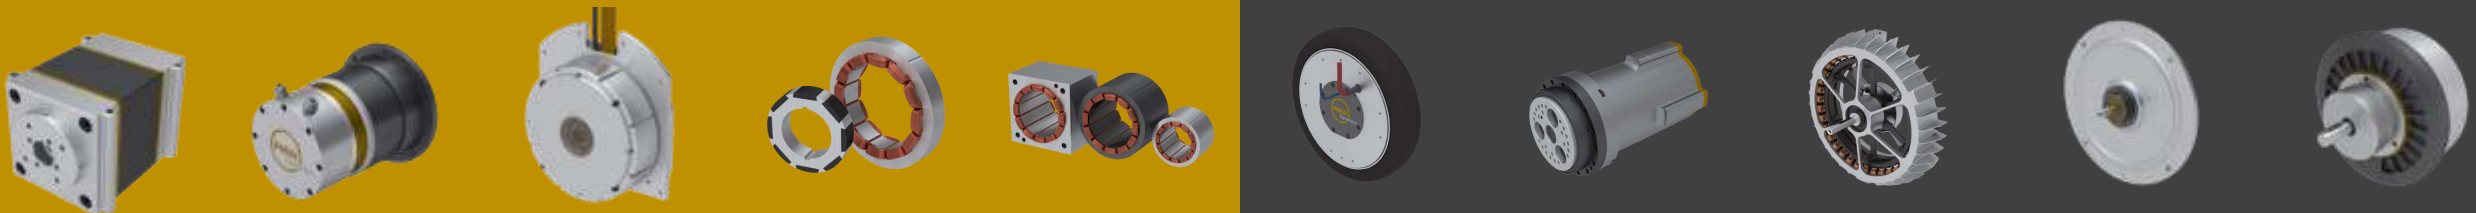

Geared & Direct-Drive Motor Solutions

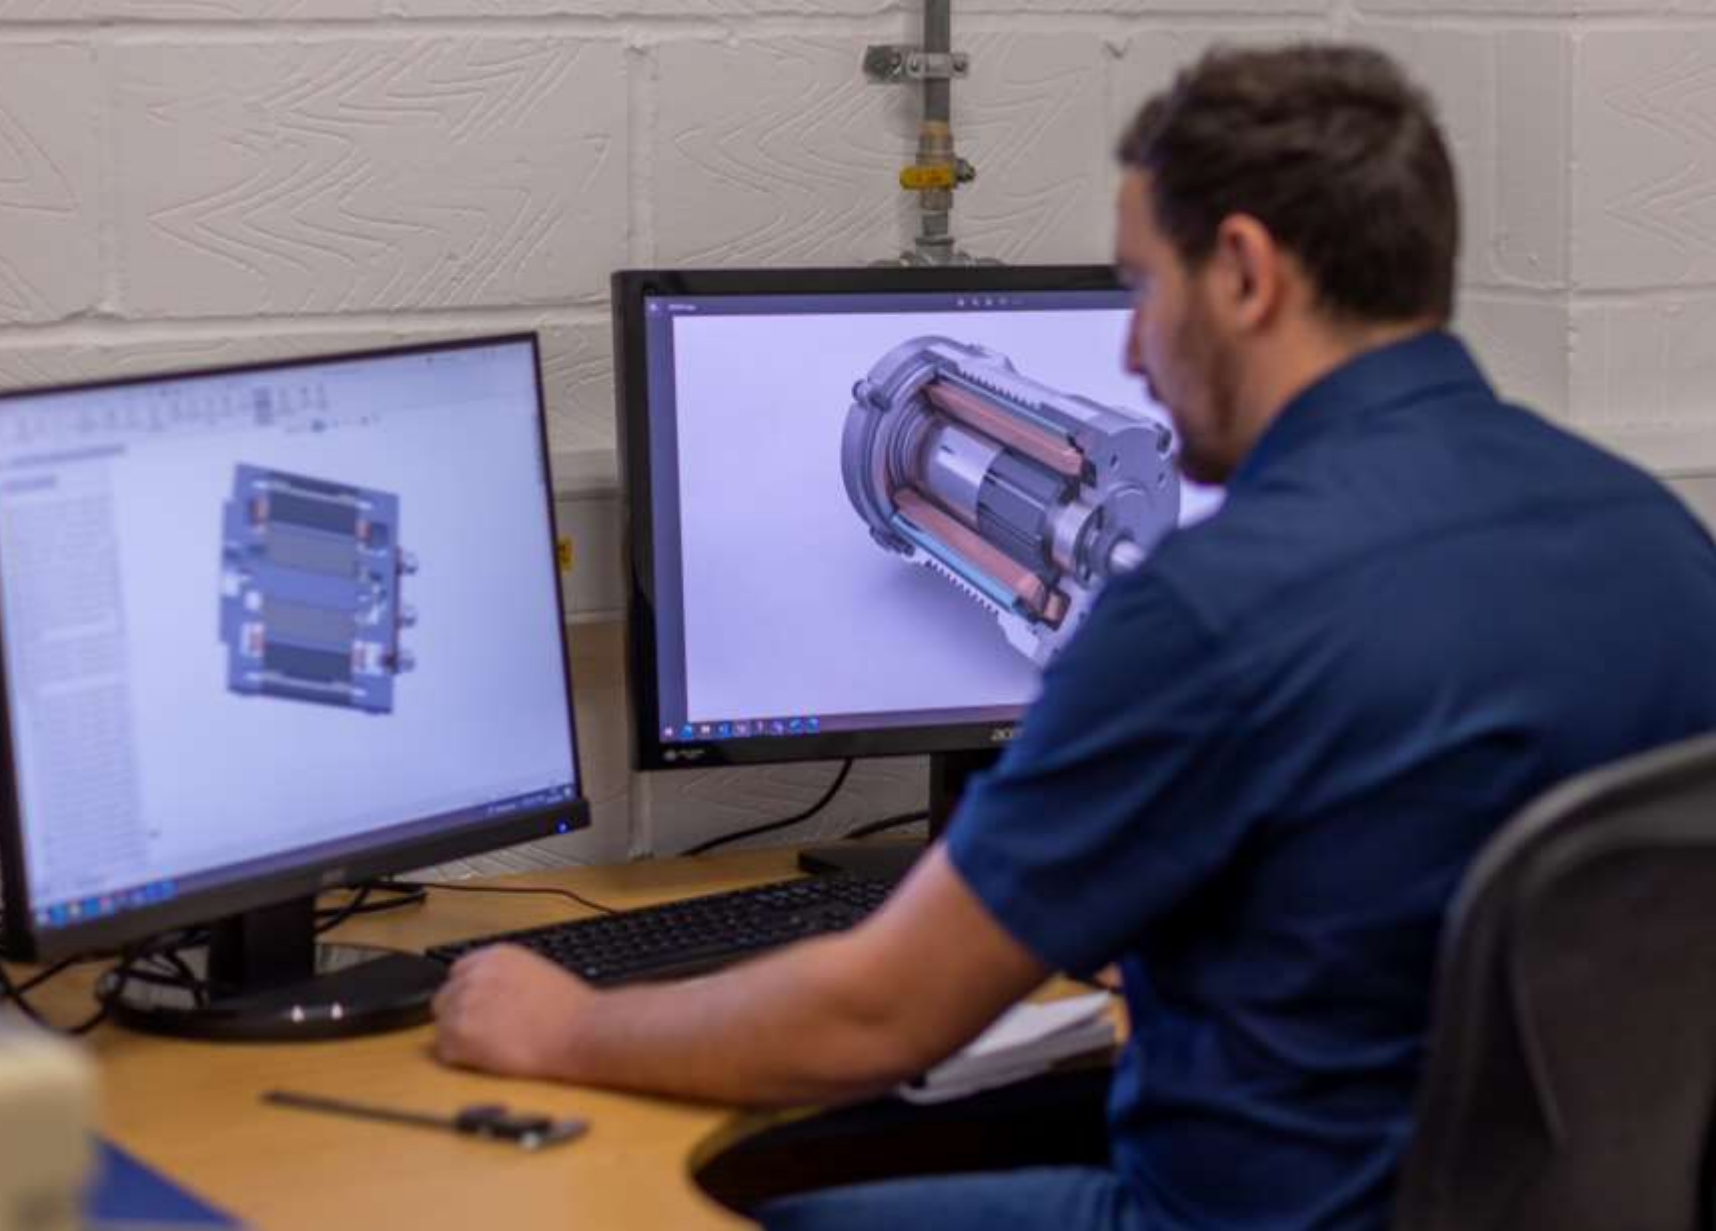

In-Wheel & Hub Motor Specialists

Flat Armature ServoDisc Motors

Every Motor Concept **100%** Modelled

Every Motor Design **100%** Proven

Every Motor Assembly **100%** Inspected

Every Motor Product **100%** Tested
